STATINTL

MEMORANDUM FOR: [REDACTED], OIG

SUBJECT : Use of Marijuana

Bruce:

In response to your query of 15 February concerning action in a case of continuing use of marijuana, I would cite the announced Agency policy which is set forth in HN [REDACTED] of 16 August 1974:

STATINTL

"Although the Agency endeavors to respect and protect the privacy of each employee to the extent possible, it cannot condone or permit the illegal use of drugs by an employee. If an employee is identified as a drug abuser, appropriate administrative action will be taken which may result in suspension, and in certain cases, dismissal from the Agency."
